## Education

### University of California, Los Angeles

Master's of Architecture Degree

June 2009

### California State Polytechnic University, Pomona

Bachelor of Architecture Degree

Member of American Institute of Architecture Students

Member of Cal Poly Pomona P3 Team

June 2008

## Work Experience

### HMC Architects | Designer

Responsible for leading and assisting design and production efforts for multiple K-12 and higher-ed projects. Involved in various stages in the design process, from schematic design to construction documents on a wide variety of projects including community college masterplans, K-12 modernizations, and new K-12 and higher-ed construction. Engaged in client meetings/presentations, site visits/documentation, coordination with consultants, and agency compliance.

April 2010 - Present

Mitchell DeJarnett / Bill Catron

949.567.1833

Irvine, CA

[www.hmcarchitects.com](http://www.hmcarchitects.com)

Advanced The CMHS Middle School Enclave from conceptual design through construction documents. Managed the set of construction documents, handled the coordination of consultants and documents, assisted in managing the team and project, and delegating tasks to both internal team members and outside consultants. Managed and handled the LEED submittal and documentation process.

### Foxlin Inc. | Project Designer

Involved in a wide variety of stages during the architectural process including research, analysis, schematic design, design development, construction drawings, and fabrication of various projects including a sustainable masterplanned community, the Bubbles exhibit at the M&A exhibition space, and the Interlace furniture environment.

July 2007 - September 2010

Michael Fox / Juintow Lin | 310.745.0342

San Juan Capistrano, CA
